

## INVITATION FOR APPLICATIONS FOR SUBGRANTING CIVL SOCIETY ORGANIZATIONS(CSOs), COMMUNITY BASED ORGANIZATIONS(CBOs) AND FAITH BASED ORGANIZATIONS(FBOs) IN EASTERN UGANDA

### Background:

Baylor College of Medicine Children's Foundation-Uganda (Baylor - Uganda) is an indigenous not-for-profit child health and development organization affiliated to the Baylor International Paediatric AIDS Initiative (BIPAI), a network of pediatric HIV/AIDS care and treatment organizations in 12 countries across Africa, Eastern Europe and North America. Baylor-Uganda entered a five-year Cooperative Agreement to implement a USAID Local Partner Health Services – Eastern Activity (LPHS-E, #AID-617-A-17-00002) project in 15 districts and one city of Eastern Uganda (Budaka, Bududa, Bukwo, Bulambuli, Butaleja, Butebo, Kapchorwa, Kibuku, Kween, Manafwa, Mbale, Namisindwa, Pallisa, Sironko, Tororo and Mbale City) beginning 21st October 2021.

This partnership is intended to deliver USAID mission's commitment to enhance the capacity of Ugandan organizations and promote country ownership and sustainability of Uganda's HIV response so as to achieve HIV epidemic control. Under this Cooperative Agreement, Baylor-Uganda will implement a district-based package of quality integrated HIV/AIDS and tuberculosis (TB) care and treatment services to contribute to significant, measurable, and sustainable impact on beneficiary populations. The Baylor LPHS-E Activity provides technical assistance to the districts organized in three (3) clusters namely; Bugisu, Bukedi and Sebei clusters.

The USAID LPHS-E activity implemented by Baylor Uganda as a Regional partner is pleased to announce the intent to partner with and fund CSOs, /CBOs, FBOs that mobilize resources, generate creative approaches and use cutting-age technology to contribute towards improved health outcomes in 15 districts of Eastern Uganda through fund a limited number of CSOs, /CBOs, FBOs. Through this RFA, USAID -LPHS-E seeks applications from interested and prospective local CSOs, /CBOs, FBOs to implement activities and interventions that will contribute to increased access, availability and utilization of high-quality health services with key deliverables inclined to HIV case identification, HIV prevention, retention and patient adherence to HIV service in USAID LPHS-e supported districts.
